THE IDEA OF THIS WEDDING INVITATION CARD

Dewi & Soon Horng
first met at a travel agency,
called An-An Travel.

We had been colleagues and
good friends for about two years,
before we come together as couple.

Naturally most of our common friends
are from the travel industry.

This invitation card is the pink version of
air ticket coupon which is all too familiar to us.
We hope to get you on board to celebrate with us
on this important day of our lives.
